EDUCATING CHILDREN FOR A BETTER LIFE

## How to Help Us

It costs US\$ 1,000 per child per year to cover their education and related costs. This includes everything from transport from their homes to the boarding house or village; books, school materials, and school uniform; tuition fees for the local school; room and board; additional education outside of school (skills such as carpentry, craft, needlework, and gardening, and extracurricular outings); and general care such as medicine when needed.

Costs to build the PestalozziWorld Villages in Dehradun and Zambia will be over US\$ 1 million. These developments include houses, horticultural gardens, skills centre, library and computers. The Villages are essential if we are to help more children.

Your donation can be one-time; or you can set up a standing order; or donate funds occasionally, related to an event. If you would like to make a special donation in the form of a tribute or legacy, please contact Simon Wakely, our Executive Officer in London.

**100% of donations go to providing an education for the children. All administration costs are covered by the Trustees.**

## How to Contact Us

Pestalozzi Overseas Children's Trust  
Ireland Ltd.  
(CHY 17386)  
Pamela Butler  
Ballin Temple, Ardattin, Co Carlow
